Message from Jason Goodyear - Chief Executive Officer

Whether you are a learner, employer or centre, I want to personally welcome you. In partnership with employers and learning centres, Qualifi helps learners develop the knowledge, skills and abilities needed for success in the 21st century. Thank you for choosing Qualifi to lead you on this learning journey.

"Qualifi is our proud partner helping shape a brighter future in global education, that empowers progress through better education for learners from all communities. Their practical approach to assessments and learning material are key to building skills and to progressing in one's career."

Dr. Saleem Afzal
City University College of Ajman

Qualifi Level 4 Diploma in Cyber Security

Course Overview

The Level 4 Diploma in Cyber Security programme provides the opportunity for individuals to develop a more advanced career in a specific area of business or public organisations by developing analytical knowledge and deeper understandings of several core cyber security operational domains. It will also provide useful generic management and leadership teaching at key points in order to help learners to build essential support from within the business.

Mandatory Units

- **Cyber Security Threat and Risk**
- **Network Security and Data Communications**
- **Database Security and Computer Programming**
- **Incident Response, Investigations and Forensics**
- **Security Strategy: Laws, Policies and Implementation**

Optional Units

- **Cyber Security Threats and Risk: Banking and Finance**
- **Cyber Wars**

Progression Pathways

Upon completing this Level 4 diploma, learners can progress to a higher education Level 5 course in Cyber Security.

Learners can also step directly into employment in an associated profession.

Entry Requirements

Entry to the qualification will be through centre interview and learners will be expected to hold qualifications at Level 3 and/or some technical and risk management experience in a computing or security business environment.

Learners may also have a Level 4 qualification in another discipline.
